Great Range Capital Promotes Mark Robinson to Vice President

Kansas City, December 19th, 2014 – Great Range Capital today announced the promotion of Mark Robinson to the role of Vice President, after previously serving in the role of Associate. Mr. Robinson will continue to play an integral role across all investment functions of Great Range Capital, including deal sourcing and screening, investment due diligence, transaction execution, financial modeling, and portfolio company oversight. In addition, Mr. Robinson serves on the Board of Directors for Fairbank Equipment, Inc., a GRC portfolio company.

Mr. Robinson joined Great Range Capital in August of 2011, having previously served as an Associate at Wind Point Partners, a middle market private equity firm based in Chicago, IL, with approximately \$2.5 billion under management. Prior to that, Mr. Robinson began his career at Piper Jaffray, a middle market investment bank in Minneapolis, MN, where he focused on the healthcare industry, working with clients on M&A, debt and equity transactions. Mr. Robinson graduated with Distinction from the University of Kansas with a degree in Finance.

Great Range Capital, a private equity firm based in greater Kansas City, primarily targets controlling equity investments in Midwestern companies with revenues ranging from \$10 to \$150 million. Learn more at www.greatrangecapital.com.
